## **DETAILED ACTION**

### ***Response to Arguments***

1. Applicant's arguments, see Remarks, filed 10/13/06, with respect to claim 32 have been fully considered and are persuasive. The rejection of the claims has been withdrawn.

### ***Allowable Subject Matter***

2. Claims 1-42 are allowed.

3. The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose a fluid material delivery assembly comprising a chamber at a distance from said support member for containing a precursor fluid material under a substantially constant but adjustable pressure differential relative to the ambient pressure. The allowability, at least in part, resides in this fact.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
